## FAQs

### What is included in the fees?

The morning session includes breakfast and lunch and the afternoon session includes tea, both provided by our onsite caterers. Snacks and educational resources are also included.

### Will the fees change as my child gets older?

The fee levels in Little School remain the same regardless of the child's age. It is only the minimum session requirements that change.

### How and when will I be invoiced?

Little School invoices will be sent monthly via email. The system we use for invoicing annualises (sometimes referred to as stretched) bills. This calculates a flat monthly fee for your child's time in Little School, based on a yearly average. It means that the invoices will be the same each month (aside from the month your child joins, leaves or changes their pattern) and avoids costly fluctuations in fees.

### How does the government funding work?

The School accepts 15 and 30 hour funding for eligible children. To check your eligibility, visit <https://www.childcarechoices.gov.uk/> for more information.
