

Aims and Ethos

Ethos

Greenfield Little School provides a springboard for healthy first steps. All children are welcomed and valued and our nurturing environment and outstanding facilities support children to achieve their best from their unique starting point. We pride ourselves on our provision of exceptional pastoral care that fosters a love of learning through exploration, fun and challenge in a safe place. We recognise the importance of creativity, individuality, responsibility and a sense of community. Children at Greenfield Little School reap the benefits of our creative delivery of the Early Years Foundation Stage and have fun being equipped with the practical skills they will need in later life.
